MR. ABE MANLEY, Esq.,
NEWARK EAGLES BASEBALL CLUB,
NEGRO NATIONAL LEAGUE,
101 Montgomery Street,
Newark, N. J.

Dear Mr. Manley:

First I will ask that you please pardon me for not letting you hear from me sooner, but I have been trying to make certain of the game at Spartanburg, for April 23. I have made three trips to Spartanburg, but the business manager is out of the city and want be there before Friday, at which time I will make another trip and let you hear from me at once. I also wish to say that the date at Greenville is ok and I have oked same for you. Now as to terms I was not thinking at the time you mentioned the percentage, the lowest possible rate we could consider would be 15% of the gross gate receipts, and if you and your co-workers think that is to much it will be impossible for us to give you a day in Greenville or Spartanburg.

I will forward you a contract in my next letter and will ask that you send 400 cards as to the enclosed out line.

Yours For Clean Sports,

W. RUFUS JACKSON,
GREENVILLE BLACK SPINNERS.
